## EC-directive 1907/2006 concerning Registration Evaluation, Authorisation and Restriction of Chemicals (REACH)

Dear Customer,

Herewith we declare that all of the polymer suppliers of Veltkamp B.V. have confirmed that the intentional composition of the polymers which they supply to Veltkamp B.V. already are or will be pre-registered regarding the REACH-regulations.

Based on this information we assume that all monomers used by Veltkamp B.V. are free of or within the permitted tolerances of the substances of very high concern as mentioned on the ECHA Candidate List of Substances of Very High Concern for authorization, last updated 29/10/2008 (Candidate List : [http://echa.europa.eu/chem\\_data/candidate\\_list\\_table\\_en.asp](http://echa.europa.eu/chem_data/candidate_list_table_en.asp)) and the EU Commission Document CA//24/2008 rev. 2 "Waste & Recovered substances" dd. 29/10/2008. Ubiquitous traces, which are not regulated under REACH, can not be excluded.

We will continuing to look after the progress of the implementation of the REACH-regulations and keep you informed about relevant information and changes.

Veltkamp B.V.,
